In response to your notice of non-compliant amendment of Apr. 19, 2007, and following our phone conversation of a few minutes ago, I am resubmitting again page 8 of the specification with the marked changes, eventhough I already submitted a version with marked changes also in my reply of Apr. 16, 2007. I am also submitting again my reply of Apr. 16, 2007, with my signature on pages 1 & 16 by typing my name between two slashes, as suggested by you on our phone conversation.

Respectfully submitted,
